Lagos, Algarve - Portugal

EXCLUSIVELY DURING
Spring & Autumn

Alcoutim was infamous for many years of intense smuggling: tobacco, fabrics, sugar, coffee... were passed across the border between Portugal & Spain.

The smugglers were risking their lives in the strong tidal Guadiana River...

Luckily those days are long gone and peace has been restored in one of my favorite remote places in the Algarve.

- 2 guided hikes in Parc Natural do Vale de Guadiana
- Visit Alcoutim: guided walk along the historical places
- Ferry & visit of Sanlucar on the Spanish side of the river
- Boat trip on the Guadiana River
- Walk to the Castle of Sanlucar
- Optional: Zipline to cross the river from Spain to Portugal
- Optional: Walk to Castelo Velho
